Question 1.6. Did SEPHLI influence the educational plans of scholars?.....	37
Question 1.7. Did SEPHLI strengthen scholars' networks?	38
Direct Network Development Effects: Knowledge-Sharing	38
Ongoing Collaboration.....	40
Indirect Network Effects: SEPHLI Graduates Build Collaborations and	

Partnerships.....	40
Domain 2: Public Health Infrastructure Development	43
Question 2.1 What kinds of program changes were influenced by SEPHLI graduates?...	50
New Programs or Expanded Services.....	50
Standard Program Practices	53
Question 2.2 What kinds of organizational changes were influenced by SEPHLI graduates?	54
Organizational Restructuring and Transitions	54
Organizational Planning.....	57
Standard Organizational Practices	60
Question 2.3 What kinds of systems changes were influenced by SEPHLI graduates?....	62
Changes to Existing Systems	62
Collaborations or partnerships to address a specific goal	62
Systems restructuring.....	64
Question 2.4 What kinds of policy changes were influenced by SEPHLI graduates?	64
Section 2.5 Additional Projects Completed by Graduates.....	66
Program Implementation	66
Improved Relationships	66
Training Tools.....	66
Educational Outreach.....	67
Standard Practices	68
Evaluation	68
Proposals	68
Question 2.6 What kinds of financial benefits were associated with change and projects?	69
Direct Funding	69
Cost-Savings	72
In-Kind Support	73
Domain 3: Barriers to Leader Development and Scholar Recommendations and Comments on SEPHLI.....	75
Question 3.1 If graduates responded that SEPHLI had “no influence” or only a “small influence,” what factors limited SEPHLI’s influence?.....	76

Scholar Characteristics.....	76
Program.....	77
Position	78
Organization.....	79
Section 3.2 Scholar Recommendations about SEPHLI	80
General Recommendations to Continue Offering the Program	80
Target Audience	80
Curriculum	80
Marketing.....	81
Alumni Activities.....	81
Section 3.3 Additional learner reactions to SEPHLI	81
General Positive Comments about SEPHLI	82
More Specific Positive Comments about SEPHLI	83
Domain 4: Key Informant Viewpoints and Recommendations for SEPHLI.....	85
Question 4.1 Key Informants' comments about SEPHLI and its benefits to public health.....	86
Stakeholder Views and Recommendations.....	86
General Views about the SEPHLI Program.....	86
Hopes and Expectations for SEPHLI.....	86
Observed Benefits SEPHLI	87
Concerns	88
Section 4.2 Key Informants' Recommendations for the SEPHLI program.....	89
Target Audience.....	89
Faculty and Presenters	89
Ongoing Activities for Scholars.....	89
V. Discussion	91
Recommendations.....	92
Clarity of Purpose	92
Curriculum, Instruction, and Faculty	92
Alumni Activities.....	93
Target Audience and Recruiting.....	94

Evaluation	94
