

Thrivin' in the Hive

by Plan Bee

**Well, you can tell by the way I walk and talk,
I'm in public health – no time for faults.
My work's diverse, that's the norm, & with leadership
I was born.**

**And now it's all right. It's OK.
And you may look the other way.
But you should strive to comprehend
The effects of public health on man.**

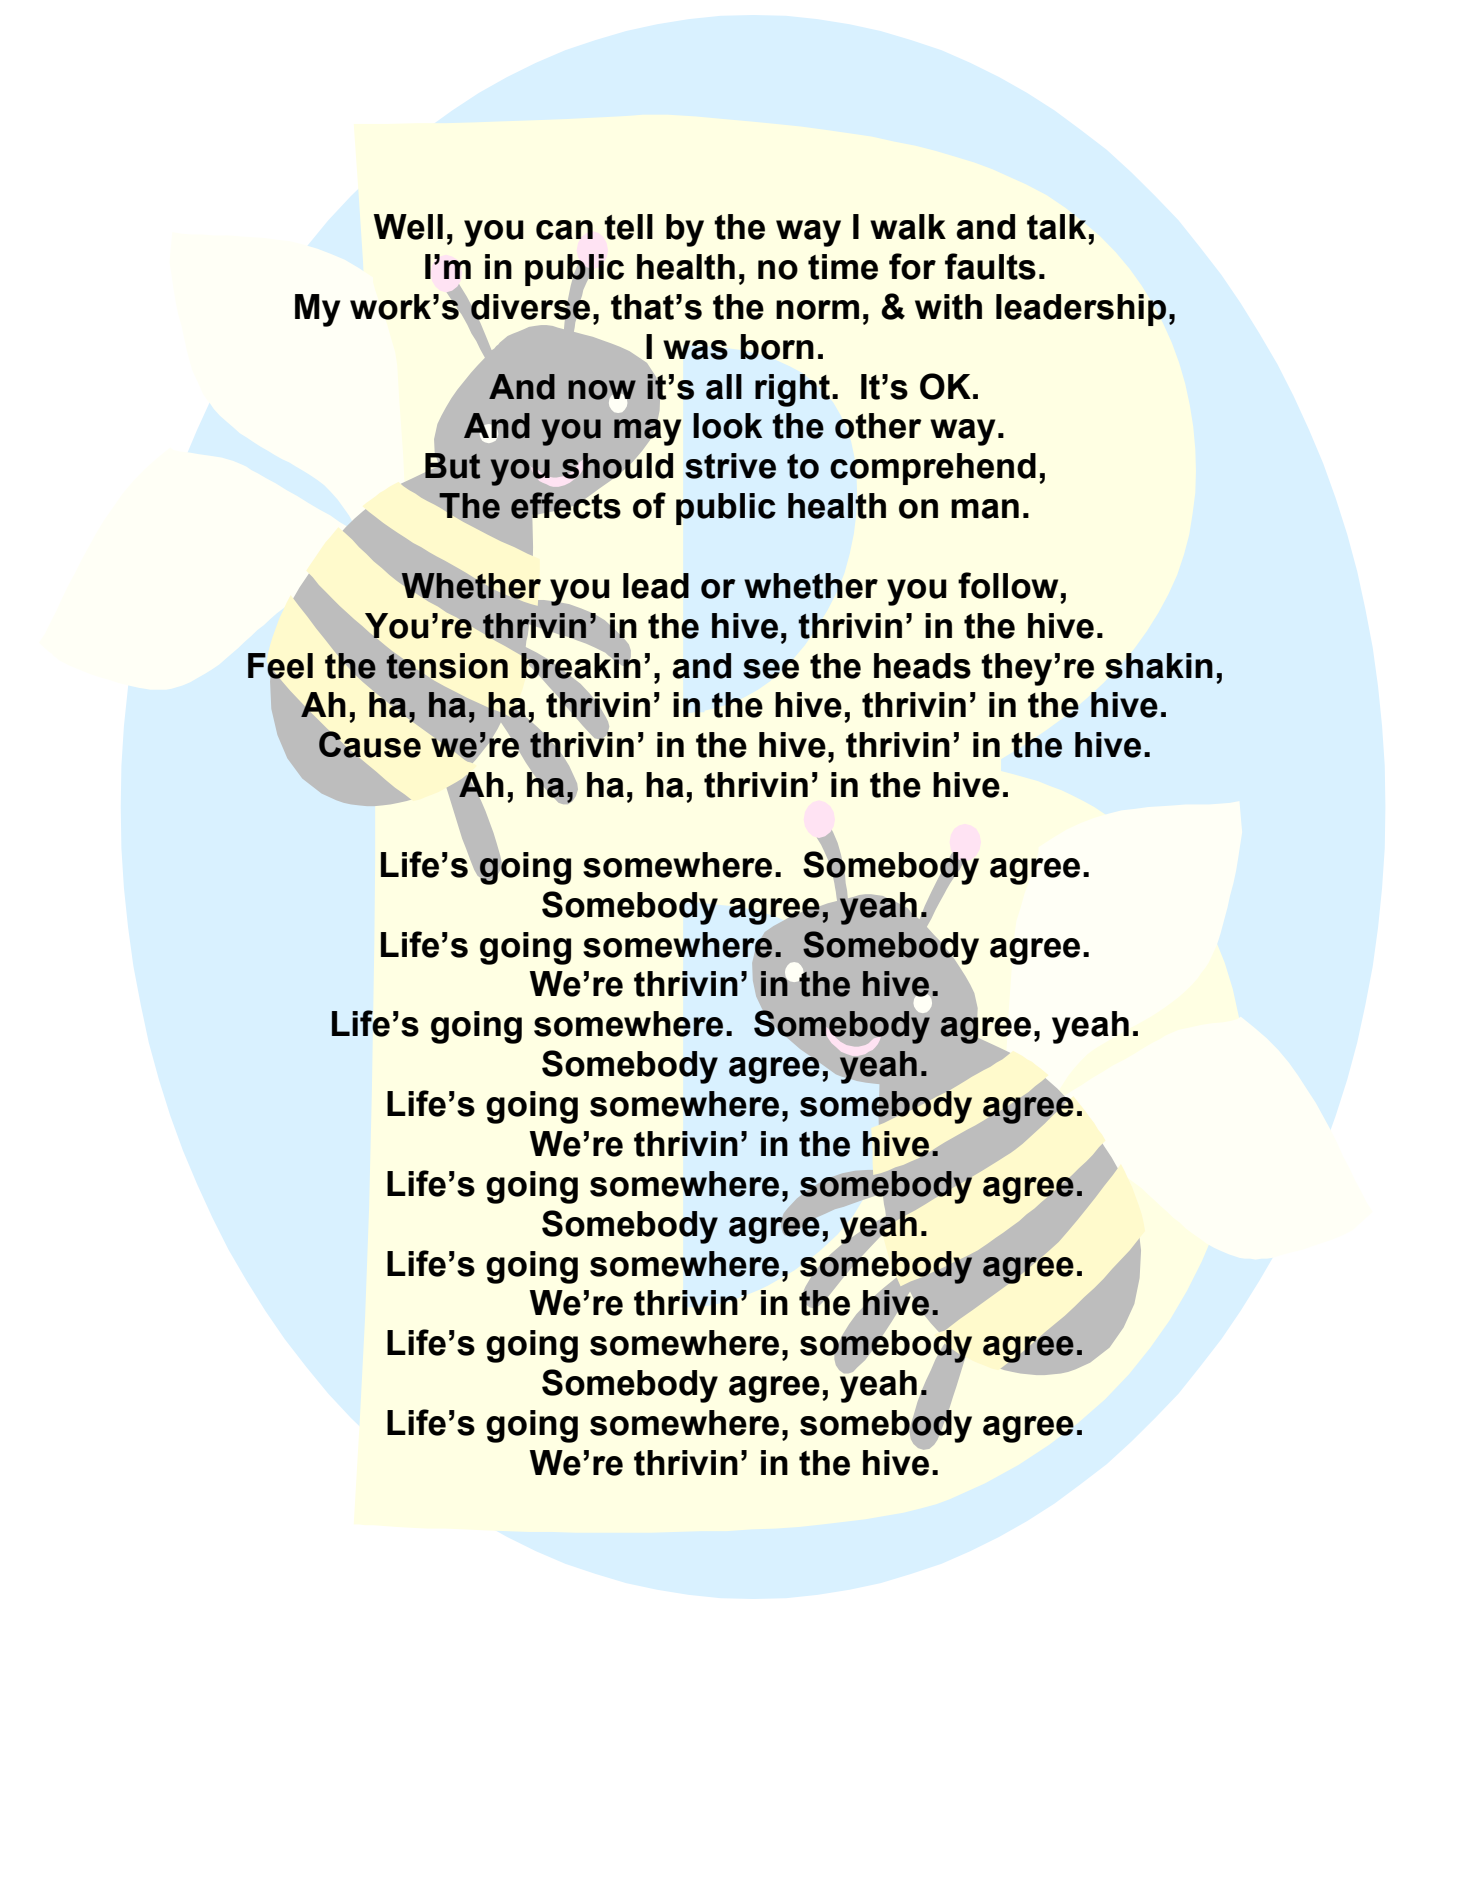

**Whether you lead or whether you follow,
You're thrivin' in the hive, thrivin' in the hive
Now feel the tension breakin', and see the heads they're shakin',
Cause we're thrivin' in the hive, thrivin' in the hive.
Ah, ha, ha, ha, thrivin' in the hive.
Ah, ha, ha, ha thrivin' in the hive.**

**Well now, I get low and I get high
And if I can't get either, I really try.
Got 3 core functions to guide my moves;
I'm in SEPHLI, and I just can't lose.
You know it's all right. It's OK.
We'll live to see another day.**

**But you should strive to comprehend
The effects of public health on man.**

**Whether you lead or whether you follow,
You're thrivin' in the hive, thrivin' in the hive.
Feel the tension breakin', and see the heads they're shakin',
Cause we're thrivin' in the hive, thrivin' in the hive.
Ah, ha, ha, ha, thrivin' in the hive.
Ah, ha, ha, ha thrivin' in the hive.**

**Life's going somewhere. Somebody agree.
Somebody agree, yeah.
Life's going somewhere. Somebody agree.
We're thrivin' in the hive.**
